

Dear Tomorrow Letter Writing Worksheet

Reflect on the following prompts and free-write your answers below. Use the back if you need more space.

Greeting: Dear / To _____,

Share with your child, grandchild, or recipient something special about you or them (i.e. a memory, one of their unique characteristics, something you / they love, a place you want to preserve).

Your thoughts about climate change. Express to them your thoughts about climate change or pollution and how it could impact their lives and their future.

Your hopes for the future. Tell them what you hope to see for their future and for their world when they are the age you are now.

Your promise. Share with them your thoughts on how you will work to leave a safe and stable climate legacy to them.

Closing salutation: _____
